

Sale Name: JUNE 2025 Monthly Consignment

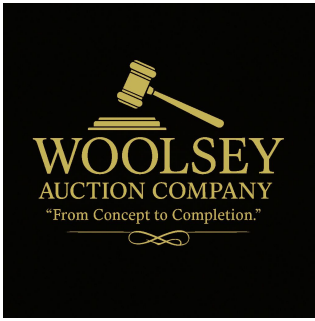

LOT 337 - Presto Electric Hot Air Popcorn Popper - Stock No. 04846

Description

This listing is for a Presto Electric Hot Air Popcorn Popper, stock number 04846. The popper utilizes hot air to pop popcorn without oil, offering a low-fat treat. It's designed to pop up to 18 cups in under 3 minutes and features a butter melter. The box highlights the ease of cleaning and the use of regular popcorn, saving money on microwave bags.

Quantity: 1
